Metal Finishing Index to Volume 89 January—December, 1991

This index contains material that appeared in Metal Finishing during 1991 and is listed alphabetically by subject matter. A letter will be found following each listing indicating the category in which the material was published, as follows: (B) Book, (S) Shop Problem. References not followed by a letter are feature articles. The right hand column refers to the month and page.

ALUMINUM FINISHING

Effect of Color Density on Corrosion Kinetics of Electrolytically Colored Anodized Aluminum Mar/63
Anodizing Power Supplies for the '90s Mar/19
Brush Plating onto Aluminum Bearing Alloys Mar/23
Innovations in Architectural Anodizing and Multicoloring of Aluminum . . . Mar/59
Effect of Color Density on Corrosion Kinetics of Electrolytically Colored Anodized Aluminum Mar/63
Plating on Aluminum (S) Mar/80
Decorative Plating of Aluminum Wheels May/67
High Performance Plated Plastics as Aluminum Replacements Jun/73
Aluminum Extrusions Powder Painting — An Overview Aug/27
Bright Dipping Aluminum (S) Sep/66
Poor Through-Hole Adhesion (S) Sep/66
Phosphoric Acid Anodizing (S) Oct/50
Salt Spray Failures: Recommendations for Troubleshooting Causes Dec/13

ANNUAL REVIEWS

Technical Developments in 1990 Inorganic "Metallic" Finishes, Processes and Equipment Feb/41
Technical Developments in 1990 Organic Coatings, Processes and Equipment Feb/71

ANODES & ACCESSORIES

Preparing Anode Bags (S) Apr/72
Auxiliary Anode for Nickel Plating (S) Apr/73
Black Film on Anodes (S) Aug/65
Plating on Titanium Anodes (S) Nov/72

ANODIZING

Discharge Limit on Salts (S) Jan/72
Finishing Titanium Implants (S) Jan/72
Correction (S) Feb/78
Anodizing Power Supplies for the '90s Mar/19
Innovations in Architectural Anodizing and Multicoloring of Aluminum . . . Mar/59
Electrolytic Coloring (S) Jul/59
Phosphoric Acid Anodizing (S) Oct/60

CHROMIUM

Trivalent Chromium Plating Bath Using Ion Exchange Jan/49
Colored Chromium Deposit (S) Jan/72
Poor Chromium Plate (S) Feb/78
The Electron Spectroscopy of Chromium Deposits from Trivalent and Hexavalent Chromium Baths Mar/55
Electroplating in the '90s Apr/37
Liner for Chromium Tank (S) Jul/58
Scratches on Black Chromium (S) Jul/58
Black Chromium Plating (S) Nov/73
Plating to Hardness Specification (S) . . Nov/73

CLEANING AND CHEMICAL SURFACE PREPARATION

Copper Strike for Castings (S) Jan/72
Electroless Nickel on Kovar (S) Jan/72
Brush Plating onto Aluminum Bearing Alloys Mar/23
Plating Magnets (S) Mar/79
Plating on Aluminum (S) Mar/89
Blistering and Peeling (S) May/52
Electroless Plating Alloy Steels (S) . . May/52
Halogenated Solvent Cleaners/Emission Control Technology and Cost Analyses (B) May/100
Decorative Plating of Aluminum Wheels Jun/67
High Performance Plated Plastics as Aluminum Replacements Jun/73
Handbook of Metal Etchants (B) Jun/174
Gold Plating on Magnesium-Lithium Alloys Jul/16
Cleaning Heat Treated Inconel (S) Jul/58
CFC Replacement (S) Jul/59
Escape to Aqueous Cleaning Sep/9
Treatable Cleaners Sep/15
Vacuum Deoiling for Environmentally Safe Parts Cleaning Sep/29
Precision Cleaning of Metal Parts without Solvents Sep/45
Reduce Methyl Chloroform Emissions for Environmentally Sound Vapor Degreasing Sep/50
Plating Silver Brazed Assemblies (S) . . Sep/65
Cleaning Heat Treated Electroless Nickel (S) Sep/66
Bright Dipping Aluminum (S) Sep/66
Activating Maraging Steel (S) Oct/50
Pickling Hot-Rolled Steel in Formic Acid Solutions Dec/35

CONVERSION COATINGS

Eliminating Rainbows (S) Jan/73
Black Chromating Zinc (S) Mar/79
Red Precipitate in Chromate Dip (S) . . Jun/125
Blackening Pewter (S) Aug/65
Corrosion Prevention and Chromates, the End of an Era? Sep/55
Corrosion Prevention and Chromates, the End of an Era? Part II Oct/15
Salt Spray Failures: Recommendations for Troubleshooting Causes Dec/13

COPPER AND COPPER ALLOYS

Side Reactions in Electroless Copper Plating Solutions Part II—Sparging of Ammonia Jan/42
Operating A Copper Strike (S) Feb/78
Copper Plating Steel Coils (S) Mar/80
Pulse Plating of Copper for Printed Circuit Board Technology Apr.21
Electroplating in the '90s Apr/37
Handling Cyanide Baths Apr/73
Rough Bronze Deposit (S) May/81
Copper Plating on MIL-Spec (S) May/81
Blistering and Peeling (S) May/82
Failing Clear Coat (S) Jul/58
Streaked Printing from Gravure Plates (S) Jul/58, Dec/60
Determining Adhesion (S) Aug/65
Bleed Through Plated Copper Stop-Off (S) Aug/66
Chloride in Copper Bath (S) Aug/66
Poor Through-Hole Adhesion (S) Sep/66

ELECTROFORMING

Good Days & Bads Days in the Finishing Shop, People in Finishing Part XX — Electroformers Mar/51
Alloy Plating in the '90s Apr/33
Good Days & Bad Days in the Finishing Shop, People in Finishing Part YY — Electroformers II: Mandrel Materials Apr/53
